

In The Echo [Lyrics]

[Rev Worship]

V1, C, V2, C

VERSE 1

Locked alone here in the darkness
Your light tore through my darkest place
The power of your mercy
Broke,- my shackles bound to shame

PRE-CHORUS

New freedom, new authority
I will never be the same
With every, breath inside of me
I'll shout the greatness of your name

CHORUS

Your strength bore my weakness
Your blood covered all my shame
No weapon formed against me
Can stand in the echo of your name

VERSE 2

No looking back, I am not my past
BREATHING LIFE, REVIVING WHAT WAS DEAD
Make each day a mirror of your love
Reflecting Grace to every captive soul

New freedom, new authority
I will never be the same
With every, breath inside of me
I'll shout the greatness of your name

CHORUSx2

Your strength bore my weakness
Your blood covered all my shame
No weapon formed against me
Can stand in the echo of your name

BRIDGE

I will not be silent
I will not be silent
I will not be silent
A crimson tree gave life to me

I will not be silent
I will not be silent
I will not be silent
The empty grave set praises free

We will not be silent
We will not be silent
We will not be silent
Our praise brings darkness to it's knees
