Verse 1:

I'm anxious and weak
These thoughts are crippling

I hear you whisper
Who do you say I am
Secluded and broken
My life is dwindling

But I hear you calling
Who do you say I am

Verse 2:

Lies all around me
Their words are deafening

I hear you whisper
Who do you say I am
Life in the balance
I question everything

But I hear you calling
Who do you say I am

Chorus:

No limit to your power
Shame has to flee
All judgement will break
Cause your name is victory
We know that your able
Relentlessly faithful
Sin is defeated
Cause your name is victory

Verse 3:

Attacks and deception
Unwarranted defeat

I hear you whisper
Who do you say I am
They say your absent
That we can't be freed

But I hear you calling
Who do you say I am
