I offered my heart to anyone who gave attention  
But I see now your the only one with right intentions

## PreChorus:

Let each breathe I'm given be an offering to you my king  
And every heartbeat speak of you the only way you are the truth  
It's all for you

## Chorus:

You have my heart

Oh every part  
You have my heart

forever  
You have my heart

Oh every part  
You have my heart  
Forever  
you have my heart

oh every part  
you have my heart

## Verse 2

I'm living free in my fathers arms peace unending  
This gift you gave throws my shame away and that's why I'm singing

Let each breathe I'm given be an offering to you my king  
And every heartbeat speak of you the only way you are the truth  
It's all for you

You have my heart

Oh every part  
You have my heart

forever  
You have my heart

Oh every part  
You have my heart
